

## Berrima Horse Trials

BHT holds the following events each year:

### 1. **Intro-Prelim Clinic and Competition.** (Held on one day in early February each year)

Details: **The Clinic:** 2hr group lesson (approx 4 - 5 riders per group) from a leading instructor. Held on the Cross Country course at 'Araluen' on Sunday morning. Riders are randomly allocated to our instructors. Groups are chosen on the basis of current level (Beginner, Introductory, Preliminary or about to go Pre Novice) which riders are asked to nominate on the entry form (made on standard NSW Eventing entry forms).

**The Competition:** Held in the afternoon over the Introductory (and where possible to open flag) the Preliminary course, a fully flagged and numbered course of 20 - 25 obstacles (including a sunken road a bank, a drop, a trakener, a bridge and a simple water obstacle). The Competition gives riders the chance to put it all together after having schooled over the fences in their lesson. The rider clear and closest to the Optimum time wins first prize ... but riders are not allowed to wear watches!
